Music	Option (3 Hours per week)	Option (3 Hours per week)
French	Option (3 Hours per week)	Option (3 Hours per week)
Spanish	Option (3 Hours per week)	Option (3 Hours per week)
ICT	Option (3 Hours per week)	Option (3 Hours per week)
Life Skills		

Students opt in to Music at the end of year 8 (for year 9) and do Music instead of 1 of their Games lessons per week. They choose again if they want to continue Music as a GCSE option as they do for their other subjects.

Triple Science is an option in Year 9. This is currently an accelerated academic pathway. In addition to the 4 hours of teaching in the Science Curriculum, students receive an additional 3 periods of time. Within that time the student will have 2 periods extra of Science, and 1 hour of Maths to drive towards the highest GCSE standard in both subjects.

Lifeskills is taught in a dedicated period for year 7, 8 and 9. In year 10 and 11 it is taught in form time.

Extra English and Extra Maths is an option at the end of Year 9 for students who require additional help in either of those subjects.

Ethics is taught on rotation with Games in year 10 and will roll into year 11 next year.
